Company Address:	Available Upon Registration	Website:	http://www.nuplen.com.mx/
Company Phone:	Available Upon Registration	Year Founded:	1975
Company Description:	Nuplen is a proud Mexican company which leads in the manufacture and innovation of foods for dairy cattle. Their company was born in 1975 thanks to the vision and support of a group of dairy farmers worried about having a quality balanced feed for their livestock. They currently market more than 100,000 tons per month of various products such as: rolled grains like rolled corn, balanced foods, and vitamins and minerals, supplements, ingredients and additives. Their primary mission is to ensure both nutrition and safety in the agricultural industry through implementation of cutting-edge technology and products catered to their customers. Nuplen supplies animal feed to a major Latin-American dairy company that is considered an industry leader.

**United Arab
Emirates (the)**

NUTRIPLUS COMMODITIES FZCO

Contact Information			
Title		Name / Email / Phone	
Managing Director		Available upon registration (go to "My Activities" if you already registered)	
Company Information			
Company Address:	Available Upon Registration	Website:	www.nutriplusdubai.com
Company Phone:	Available Upon Registration	Year Founded:	2009
Company Description:	Established in 2003 in Dubai, UAE, this is a free zone company which is an importer, distributor and wholesaler of food and feed products. It imports mainly raw materials for the animal feed sector, particularly poultry and dairy. The company imports fishmeal, soybean meal, cottonseed meal and ethanol from the United States. It also imports rapeseed meal and rice bran from India; corn from Argentina; corn and soybean meal from Brazil and alfalfa hay from Spain. The company re-exports part of these imports to Saudi Arabia and Oman. An affiliate of this company "Emirates Gourmet", established in 2004 in Dubai, UAE is an importer, distributor, wholesaler, agent and retailer of mainly confectionery and gourmet products. This latter company imports candies, salt, spices, herbs and seasonings from the United States; pralines from Belgium; chocolates from the United Kingdom; premier tea from Germany, China and India; appetizers from Italy; olive oil from Greece and various snack foods and delicatessen from different European countries. About 70 percent of this latter company's imports are destined to the foodservice sector and 30 percent to the retail sector. The company is keen to introduce more US food and feed products, including value added feed ingredients, confectionery and gourmet products, to its imported products range. It is a good prospect for joining fancy and snack food oriented buyers' missions such as the Summer Fancy Food Buyers Mission, as well as value added feed ingredients oriented missions. It could also be a good prospect for visits by trade team members carrying feed ingredients, confectionery and gourmet food products. www.nutriplusdubai.com
